

# 1, 2, 3, 4...

## WE DECLARE A COIN WAR!

Teach your child about money this month,  
while raising money for our school!

Each week, students will bring in coins  
to fill the collection jars in their classroom.

Encourage your child to find, sort, name  
and even count the coins each week.

At the end of the month, we will count it all to see how much  
each class raises... but the collective winner is the school!

- Week 1 ~ Pennies
- Week 2 ~ Nickels
- Week 3 ~ Dimes
- Week 4 ~ Quarters

Thanks so much for your support!
